

# AT-LP120-USBHC

## Direct-Drive Professional Turntable (USB & Analog)

This professional stereo turntable features a high-torque direct-drive motor for quick start-ups and a USB output that connects directly to your computer. Other features include: forward and reverse play capability; cast aluminum platter with slip mat and a start/stop button; three speeds 33/45/78; selectable high-accuracy quartz-controlled pitch lock and pitch change slider control with +/-10% or +/-20% adjustment ranges; and removable hinged dust cover. A selectable internal stereo phono pre-amplifier allows the turntable to plug directly to components with no dedicated turntable input. A USB cable and adapter cables are included along with Mac- and PC-compatible Audacity software to digitize your LPs. The **AT-LP120-USBHC** comes complete with the Audio-Technica **AT95E** cartridge and is also compatible with all Audio-Technica cartridges and any ½ inch mount cartridge from other manufacturers.

### Specifications

- USB output—connects directly to your computer for plug-&-play use.
- Mac- and PC-compatible Audacity software digitizes your LPs.
- Direct drive high-torque motor.
- Selectable 33/45/78 RPM speeds.
- Professional cast aluminum platter with slip mat.
- AT95E Dual Magnet™ phono cartridge with replaceable stylus.
- Exclusive HS10 Lightweight Headshell.
- Balanced tone arm with soft damping control.
- Switchable built-in pre-amplifier with line-level RCA output cables.
- Included cables connect to your stereo or powered speakers.
- Stroboscopic platter speed indicator.
- Forward and reverse play.

### AT-HS10 Headshell Specifications

- Newly designed Headshell for standard ½ inch cartridges
- Compatible with all tonearms featuring a removable headshell and 4-pin bayonet fitting.
- Unique ridged lightweight design provides exceptional strength with a total weight of only 10g.
- Allows 8mm of adjustment for cartridge position on headshell.
- 4 gold plated cable connectors attach cartridge to headshell providing better resistance to oxidation and improved conductivity.
- U-shaped wire connectors offer better mechanical stability and contact.

### Includes

- Direct Drive Professional Stereo USB turntable.
- Mac- and PC-compatible Audacity software.
- USB cable.
- Adapter cables.

### System requirements

- PC or Mac with an available USB port (USB1.1 or higher).
- CD-R or CD-RW writer for burning CDs & installation.
- Includes Audacity software for PC & Mac users.

*Audacity requires Mac running OS X 10.1 or later or PC running Windows (98 and above).*

EAN code: 5055145748176

### Includes Exclusive Audio-Technica HS10 Headshell

- Lightweight, Rigid Design
- Gold-Plated U-Shaped Connectors
- Fitted with Audio-Technica AT95E Cartridge
