# Introducing the ECI 6DS

Electrocompaniet is happy to announce a revolutionary new product to their range called ECI 6DS.
The ECI 6DS is an all-in-one music-system that streams music from your network, wired or wireless (WiFi).  Blu-ray players, CD players and even satellite television tuners can also be connected and everything is controlled by the simple to use and beautiful remote control.
The ECI 6DS has an on-board high-end DAC and boasts a powerful 2 x 125 Watt integrated amplifier.

Also your analogue sources can be connected by balanced (XLR) and phono (RCA) inputs. This product brings together modern digital technology with the power and sonic excellence of our renowned Classic line products.

The estimated RRP of € 5.320 / £4.315 and is available from October.
